TRAINING COMPLETION CERTIFICATE

This is to certify that Sonam Rinzin holding CID No. 10705003593 has successfully completed the training in Product Acceptance Analysis. The training program was conducted from 9th April 2026 to 6th June 2026 at Gelephu Mindfulness City as a part of the Pelsung Initiative.

The program encompassed both theoretical and applied learning, ensuring a strong foundation in concepts as well as practical skills to instil conceptual understanding and industry-aligned competencies in the field. To provide context to the scope of this engagement, the program encompassed the following core areas:

- Theoretical Frameworks: Comprehensive coverage of core principles, methodologies, and industry standards relevant to Product Acceptance Analysis.
- Applied Learning & Practical Execution: Direct application of skills through technical workshops, problem-solving modules, and milestone deliverables.
- Operational Excellence: Alignment with professional best practices tailored to the forward-looking ecosystem of Gelephu Mindfulness City.

We wish Sonam continued success in applying the knowledge and skills gained during this training and leverage these newly acquired skills and insights to achieve meaningful professional outcomes.
