## 1. CORE EDITORIAL COMPETENCIES

- **Developmental & Structural Beta Analysis:** Demonstrated expertise in evaluating narrative pacing, character arc development, plot mechanics, world-building consistency, and audience engagement dynamics.
- **Line Editing & Prose Refinement:** Advanced proficiency in sentence structure optimization, tone consistency, voice preservation, and stylistic fluidity across novel-length manuscripts.
- **Grammatical & Copyediting Precision:** Comprehensive application of grammar, syntax, punctuation, and style rules aligned with industry-standard style guides (Chicago Manual of Style).
- **Genre Adaptability:** Strategic critique across fiction (Romance, Fantasy, Sci-Fi, Mystery/Thriller, YA) and non-fiction works.

## 2. PROFESSIONAL SERVICE DELIVERABLES

- **In-Depth Reader Reports:** Provision of comprehensive structural evaluations and actionable feedback reports (3–5+ pages) accompanying manuscript assessments.
- **Transparent Tracked Revisions:** Line-by-line editorial feedback rendered via standard markup software (Microsoft Word Track Changes / Google Docs Suggestions).
- **Intellectual Property Rights:** Strict adherence to author-editor confidentiality and complete protection of unreleased client manuscripts.

**Official Statement:** I hereby certify that all beta reading, editorial analysis, and manuscript consulting services rendered by **Fowomolu Opeyemi** comply with professional publishing benchmarks, delivering objective, actionable, and publish-ready editorial output.

**Fowomolu Opeyemi**
